Disability Network Eastern Michigan: Breaking Down Barriers to Independence for Those with Disabilities

**Speaker: Christine Cook, Associate Director, Disability
Network Eastern Michigan**

Christine will help you understand the wide array of programs within the Disability Network Eastern Michigan (DNEM), including strategies for utilizing their resources to empower to live as independent and fulfilling life as possible. DNEM provides services for children and adults. It's important to learn more about DNEM services now to build a foundation for their future independence.
