EFFECTIVE DATE OF SALARY RATES

The bi-weekly rates in this Salary Schedule book are rates which became effective on or after September 20, 2025. If the rate shown is not for the current fiscal year, there will be an effective date next to the classification title that designates the effective date of the rate. Rates for these classes may or may not be changed as a result of negotiations.

EXPLANATION OF SALARY SCHEDULE LAYOUT

The FY2026 Salary Schedule has three sections.

The first section is a list of Elected Official classifications that are excluded from the Salary Administration Plan. Elected Officials' rates are computed on a daily basis and calculated using a special formula.

The second and third sections are a complete list of all County classifications and their salary rates. Certain classifications have both non-union and union represented employees. These classifications are listed more than once and are in order of their salary plan designation (i.e. UNI, 018, 022, etc). Salary rates for non-union and union represented classifications match, unless the bargaining unit has not yet negotiated rates for the current fiscal year. If the rate shown is not for the current fiscal year, there will be an effective date next to the classification title that designates the effective date of the rate.

EXPLANATION OF SALARY ADMINISTRATION PLAN

Classifications included in the Salary Administration Plan are placed in a salary grade based on a point factor method of job evaluation. Each class is evaluated on specific factors and receives a total point value. Each salary grade has a designated point range and classes are placed in a salary grade based on the total points the classification receives on the point factor job evaluation.

EXPLANATION OF THE JOB CODES AND SALARY PLAN CODES

As part of the Human Resource Management System, we have job codes to identify classifications and salary plan codes to identify salary ranges. The seven (7) character job code is automatically assigned by the system and is used to identify classifications. The salary plan code places classifications into unique salary categories. The first three digits of the salary plan code represents the category (UNI/107), and the last two digits may represent a salary grade range match (UNI/107) or may represent a unique salary range (21/B).

Listed below are the categories established and their definitions.

Bargaining Unit If a class is in a bargaining unit, it will be placed in a salary plan beginning with the represented bargaining unit number (21/B, 22/F, 10/A).

Salary Adm Plan (UNI/WRC) If a class is under the County's Salary Administration Plan, it will be placed in a salary plan beginning with UNI (UNI/107, UNI/120, UNI/130). The last three digits (/107, /120, /130) represent a salary grade range.

Appointed (APP/DEO/MEO) If a class is excluded from the Salary Administration Plan and designated as an appointed class it will be placed in a salary plan beginning with APP, DEO or MEO (APP/310, DEO/1 or MEO/3).

Hourly (HRL) If a class is excluded from the Salary Administration Plan and a part-time hourly classification, it will be placed in a salary plan beginning with HRL (HRL/E or HRL/110).

Elected (ELE) If a class is an elected official classification, it will be placed in a salary plan beginning with ELE (ELE/A).

EXPLANATION OF OVERTIME DESIGNATIONS

The overtime eligibility of a classification is identified beside the salary plan code according to the designations explained below.

Exempt – Not eligible for overtime compensation

Non-Exempt – Eligible for overtime compensation for all assigned overtime in accordance with current County overtime policy.

Under FLSA, part-time / non-eligible employees placed in an Exempt class are considered Non-exempt for overtime. For further information on overtime payment, see Merit Rule 2.10.

ADDITIONAL PAYMENTS

Payments made to eligible employees for service increment, night shift differential or other bonuses will be in addition to the salaries shown in this salary schedule. For further information, see Merit Rule 2.

EXPLANATION OF MERIT INCREASE PROGRAM

The advancement to the next higher rate within a salary range is called a merit increase. As the name indicates, this increase is based not only on the passage of the indicated length of service, but also on the quality of that service. Merit Increases are not automatic, but are granted only on the written recommendation of the employee's department head. See Merit Rule 2.8.

EXPLANATION OF SERVICE INCREMENT PAY PROGRAM

Non-union employees initially appointed, hired, reappointed or rehired to eligible County employment prior to July 1, 1984 (see union contracts for dates related to union employees) are eligible for service increment pay. Service increment pay provides County employees and appointed County officials with automatic salary increments in addition to their regular salaries based on the following schedule:

Years of County Employment	Percentage of Salary Rate
7 years	2%
10 years	4%
13 years	6%
16 years	8%
19 years	10%

"Salary rate" refers to the employee's current salary step within the employee's classification salary range as shown in the salary schedule. Length of employment is determined by the amount of service with which the employee is credited in the records of the Human Resources Department. Service increments become effective the payroll period nearest the completion of the required years of service. See Merit System Rule 2.9 for additional information regarding service increment pay.
