

Oakland County Access to Transit PROGRAM

City of Southfield

Project Type:
Construction

Location:

Nine Mile Road between Providence Drive and Foster Winter Drive.

Project Description:

Construct a mid-block pedestrian refuge island on Nine Mile Road with high visibility crosswalks. This project will also make improvements to traffic safety by modifying the ingress/egress driveways to an adjacent parking lot. These enhancements will improve access to a major regional hospital and transit stops along SMART Bus Route 710 and DDOT Bus Route 10.

Project Funding:

- Access to Transit Grant: \$420,000
- Local Match: Waived
- Total Project Budget: \$420,000
